2026

Celebrate the achievements, resilience, and leadership of women everywhere. International Women's Day is a call to action for gender equality worldwide. This year, with the theme

Invest in Others, Grow Together,

we spotlight mentorship, sponsorship,
and collective action that uplift women and strengthen our
communities.

April is World Autism Awareness and Acceptance Month

April 2, 2026 (Day)

April is World Autism Awareness and Acceptance Month, a time to celebrate neurodiversity and promote inclusive communities. Let's deepen understanding, and lead with intention to ensure that the perspectives of individuals on the autism spectrum are included in designing for a more equitable and accessible world.

National AccessAbility Week

May 25 – June 1, 2026

National AccessAbility Week is a powerful reminder that true inclusion means creating a world where everyone belongs. Together, let's break down barriers, champion equity, and build environments that empower people of all abilities to thrive. When we embrace accessibility, we unlock the potential of our communities and ensure that full participation isn't just possible but celebrated.

Emancipation Day

August 1, 2026

On Emancipation Day, we honour the abolition of slavery across the British Empire in 1834, a milestone that also marked the end of a little-known chapter in Canadian history. Slavery existed here for over two centuries, shaping the lives of Black and Indigenous peoples. This day calls us to uncover that truth, acknowledge its legacy, and take action to advance racial equity.
