Use this directory to find and connect with Disability Employment Organizations in your community! These organizations provide a range of services to support employers in hiring and retaining people with disabilities, such as: supporting inclusive hiring practices tailored to your workplace, connecting you with qualified motivated candidates, providing on-the-job support to employer and employee throughout the onboarding process, and training to help strengthen your capacity to hire, retain, and support employees with disabilities. Please reach out to DEI@sobeys.com to provide new or existing partnership contact information.
