

Répertoire national des organismes partenaires spécialisés dans les questions liées au handicap

Dernière mise à jour : mars 2026

Consultez cet annuaire pour trouver des organismes spécialisés pour l'emploi des personnes handicapées dans votre région. Ces organismes proposent toute une gamme de services destinés à aider les employeurs à embaucher et à maintenir en poste des personnes handicapées, notamment : promouvoir des pratiques de recrutement inclusives, mettre en relation les employeurs avec des candidats qualifiés, accompagner l'employeur et l'employé tout au long du processus d'intégration, et offrir de la formation à l'employeur. Pour soumettre un nouveau partenaire, écrivez à DEI@sobeys.com.
